

Sony Europe B.V. - TERMS AND CONDITIONS OF BUSINESS

- 1. General**
 - 1.1 These general terms and conditions ("Terms and Conditions") apply to all offers, quotations and sales of goods and/or services by Sony Europe B.V. ("Sony") to any purchaser or potential purchaser transacting with Sony in a business capacity ("Buyer").
 - 1.2 If Sony and Buyer have entered into a separate written contract relating to the sale of products or the provision of services, including without limitation a reseller or distributor agreement, these Terms and Conditions shall additionally apply to purchases under the separate agreement to the extent they are not inconsistent with the terms of the separate agreement.
 - 1.3 Any agreement between Sony and Buyer shall be binding only if, and to the extent that, an individual order is accepted by Sony. Sony shall have full discretion in accepting or rejecting any order.
 - 1.4 Except as set forth in Condition 1.2, these Terms and Conditions shall be exclusive of and prevail over all other terms or conditions, written or oral, implied by trade custom or course of dealing, wherever appearing or however introduced (including those in catalogues, specifications, or any Buyer general terms and conditions, request for quotation, order or confirmation) unless expressly otherwise agreed by Sony in writing. All other terms or conditions are expressly rejected by Sony. By placing an order Buyer agrees to be bound by these Terms and Conditions whether or not expressly so stated in any order, confirmation or otherwise. Each deviation from or modification to these Terms and Conditions requires the express written agreement of Sony in each instance. Modification or waiver of any provision in one instance shall not constitute modification or waiver in any other instance. Sony may amend these Terms and Conditions at any time, by taking reasonable steps to inform Buyer of such amendment. Any such amendment will not apply to any outstanding orders already accepted at the time of the amendment.
 - 1.5 Buyer may not, without Sony's prior written consent, assign all or any of its rights under any contract incorporating these Terms and Conditions.
 - 1.6 Any reference in these Terms and Conditions to Sony shall be taken to include a branch or business division of Sony Europe B.V. as the case may be.
 - 1.7 Nothing in these Terms and Conditions shall impose, limit, or exclude any right or obligation to the extent that it is not permitted to impose, limit, or exclude any such right or obligation under applicable law.
- 2. Quotations**

No quotation of Sony shall constitute an offer.
- 3. Specification**
 - 3.1 Goods are supplied in accordance with Sony's standard specifications but Sony reserves the right to make such improvements and modifications in such specifications (provided that such improvements or modifications do not materially affect the form, fit or function of the goods) without prior notice as it or its suppliers consider desirable in the circumstances, without obligation to modify or change any goods previously delivered or to supply new goods in accordance with earlier specifications, unless Sony agrees otherwise in writing at the date of reservation of the goods.
 - 3.2 If Sony or its suppliers wishes to make any improvements or modifications to any goods to be supplied to Buyer that would affect form, fit or function, Sony shall not implement such improvement or modification without the agreement of Buyer.
 - 3.3 If Buyer wishes to change the specification of any goods to be supplied by Sony then Sony shall not be obliged to agree to such change. If Sony does agree to any proposed change requested by Buyer Sony shall be entitled to adjust the price, delivery, and warranty accordingly.
 - 3.4 All technical information and particulars of goods and performance given by Sony are given as accurately as possible but are not to be treated as binding or as forming part of any contract with Buyer unless specifically confirmed or agreed by Sony in writing.
- 4. Packing**

The specification for packaging the goods shall be entirely at the discretion of Sony who shall have the right to pack all goods in such manner, with such materials, and in such quantities as Sony reasonably thinks fit and shall not be obliged to comply with any packaging instructions or requests from Buyer. The cost of special packaging, if agreed or deemed necessary by Sony, shall be an additional charge.
- 5. Price**
 - 5.1 Unless otherwise accepted by Sony in writing the price of the goods shall be based on the relevant price in Sony's current price lists at the date of stock reservation.
 - 5.2 Prices lists are subject to alteration by Sony at any time without prior notice. In the event that Buyer has placed an order, Sony shall notify Buyer of any alteration in price, whereupon Buyer may cancel the order (without liability to Sony) by giving notice in writing to Sony within 7 days.
 - 5.3 Buyer shall bear the cost of any applicable sales, value added, excise, withholding or similar tax or duties in relation to the goods unless Buyer provides Sony with a tax exemption certificate or licence acceptable to the taxing authorities before shipment.
- 6. Delivery**
 - 6.1 Unless otherwise stated in the relevant price list, the price to be paid for goods includes delivery (including insurance costs) by Sony's normal method of transportation to Buyer's nominated address within the country in which the branch of Sony issuing the price list to Buyer is situated. Any requests from Buyer for delivery outside that country or other than by Sony's normal method of transportation are subject to Sony's prior agreement and shall entitle Sony to adjust the price and delivery terms accordingly.
 - 6.2 Whilst Sony will use reasonable endeavours to keep to any agreed delivery date, it accepts no liability whatsoever for any loss or damage resulting from delay however caused, nor shall late delivery or non-delivery be a basis for cancellation of any order by Buyer.
 - 6.3 Sony may make part-deliveries. No partial delivery shall affect Buyer's obligation to pay for any other part of the order.
 - 6.4 Goods shall be signed for on receipt.
 - 6.5 Any alleged discrepancy in delivery must be notified (i) to Sony in writing within 5 days of receipt of the goods, and (ii) to the carrier in accordance with all applicable legal requirements (if any). All complaints not so filed are waived to the extent permitted under applicable law.
- 7. Payment**
 - 7.1 All payments by Buyer for the goods and/or services shall be made to Sony in accordance with terms of settlement (if any) agreed between Sony and Buyer in respect of the relevant order.
 - 7.2 Without prejudice to Sony's other rights and remedies, including the right in any event to sue for the price whether or not the property in the goods has been passed, interest at the rate agreed between Sony and Buyer in respect of the relevant order may be charged on the amount of any overdue account from the due date until the date of final settlement. In the event that no such rate is expressly specified, then the maximum rate of default interest chargeable under the applicable law shall apply. Such interest shall accrue on a daily basis from the due date until the date of the actual payment of the overdue amount, whether before or after judgement.
 - 7.3 Sony may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by Buyer against any amount payable by Sony to Buyer.
- 8. Risk**

The risk of loss or damage to the goods shall pass to Buyer upon delivery of the goods at Buyer's authorised trading premises specified in the order by Buyer or to a carrier on Buyer's behalf (whichever is sooner). This passing of risk applies notwithstanding the fact that Sony may have arranged transportation insurance.
- 9. Property in Goods**
 - 9.1 Sony shall retain title to the goods until it has received payment in full of all sums due and/or owing in connection with the supply of all goods and services to Buyer at any time. For these purposes Sony has only received payment when irrevocably credited to its bank account.
 - 9.2 Until title to the goods has passed to Buyer, Buyer shall:
 - 9.2.1 hold the goods on a fiduciary basis as Sony's bailee, and act in a manner consistent with that status;
 - 9.2.2 not remove deface or obscure any identifying mark or packaging on or relating to the goods;

 - 10.1 If Buyer: (i) is in breach of any of these Terms and Conditions; (ii) fails to make any payment to Sony when due; (iii) becomes subject to any of the events listed in Condition 10.2; or (iv) is in Sony's reasonable belief about to become subject to any of the events listed in Condition 10.2 and Sony notifies Buyer accordingly, then Sony shall have the right, without prejudice to any other remedies:
 - 10.1.1 to enter without prior notice any premises where goods owned by Sony may be, and to repossess and dispose of any goods owned by Sony so as to discharge any sums owed to Sony by Buyer, to the extent permitted under applicable law;
 - 10.1.2 to require Buyer not to resell or part with possession of any goods owned by Sony until Buyer has paid in full all sums owed by it to Sony; and/or
 - 10.1.3 to cancel or suspend all further deliveries under these Terms and Conditions or under any other contract between Buyer and Sony without incurring any liability to Buyer.

 - 10.2.8 suspends, threatens to suspend, ceases or threatens to cease to carry on all or substantially the whole of its business; or
 - 10.2.9 is subject to their financial position deteriorating to such an extent that, in Sony's reasonable opinion, Buyer's capability to adequately fulfil its obligations under the Terms and Conditions is at risk.
 - 10.3 Termination of a contract, however arising, shall not affect any of the parties' rights and remedies that have accrued as at termination. Conditions which expressly or by implication survive termination of the contract shall continue in full force and effect.
- 11. Claim**

Any complaints against Sony (other than where a specific timescale is detailed in Condition 6.5) must be made within one month of the date upon which Buyer became aware or ought to have become aware of the circumstances giving rise to the complaint. All complaints not so filed are waived.
